JOHNJAY ARROYO

UX/ UI DESIGNER

UX/UI Designer making apps people don't hate using | figma + coffee + user tests

Experience

- UX/UI Design Projects | Freelance + Personal | 2022–Present

E-commerce Mobile App Redesign: Local Fashion Brand
- Audited existing shopping app using heuristic evaluation, identified 8 usability issues in checkout flow
- Redesigned product + cart screens in Figma, prioritizing mobile-first layout and size guide accessibility
- Tested prototype with 6 users, resulting in 4.3/5 average ease-of-use score vs 2.9/5 for original

Portfolio Website | Personal Brand | 2024
- Designed and prototyped responsive portfolio in Figma to showcase 4 UX case studies
- Implemented design system with 15+ reusable components, cutting future project setup time by 40%
